

ASSEMBLY BILL

No. 1018

Introduced by Assembly Member Nakanishi

February 20, 2003

An act to add Section 17070.96 to the Education Code, relating to school facilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 1018, as introduced, Nakanishi. School facilities construction and modernization: prevailing wages.

Existing law, the Leroy F. Greene School Facilities Act of 1998, requires the State Allocation Board to allocate to applicant school districts, prescribed per-unhoused-pupil state funding for construction and modernization of school facilities, including hardship funding, and supplemental funding for site development and acquisition. Existing law requires prescribed public work projects to pay general prevailing wages.

This bill would exempt school facility new construction or modernization projects from any requirement to pay local prevailing wages.
